

Class – XI (Science)**[Subject – English]****Project:**

1. Prepare a chart at narration with examples.

[Subject – Hindi]**Project:**

1. जनसंचार के माध्यम को चार्ट पेपर पर बनाकर यह दर्शाये कि – किस प्रकार से मानव जीवन में इसका महत्व है।

[Subject – Mathematics]**Project:**

Prepare a Project Work on the Chart Paper According to their Roll Number.

1. Write the Allied Angle Relation for $(-0, 90+8, 90-8)$.
2. Make a Formula Chart of All Trigonometric Functions.
3. Make a Formula Chart of Allied Angle on $(\pi + \theta, \pi - \theta, 2\pi + \theta, 2\pi - \theta)$

[Subject – Physics]**Project:**

Do any two one Chart Paper:-

1. Write any 10 thermal Quantities with Unit and Dimensional formula on Chart paper.
2. Write any 10 Mechanical Quantities with unit and dimensional formula on Chart paper.
3. Draw a Diagram for different types of Motion, at least 4 types on Chart Paper.

[Subject – Chemistry]**Project:**

1. Prepare a chart of periodic table of elements.

[Subject – Biology]**Project:**

1. Draw Colourful pictures of any 10 Animals from Chapter – 4 along with their names and Classifications on A4 sheets.
2. Write the contributions of following Persons in the field of Biology-
 - (i) Alfonso Colvin
 - (ii) Melvin Calvin
 - (iii) G.N. Ramachandran
 - (iv) Katherine Esau
 - (v) Ernst Mayr

[Subject – Information Technology]**Project :**

1. Using Chart Paper Describe about all the 4 types of Common Communication Styles.
